Crazy new price on this move in ready home on a big corner lot in a phenomenal location. Walk to school daily as directly across from Gentry High School, can't beat that. Open the door and you're greeted by brand new carpet in living room, hallway and bedrooms. Spacious living room has vaulted ceiling, gas fireplace, large window beaming natural light throughout and opens to kitchen so you can cook and still be engaged with family. Kitchen features plenty of counter space, lots of cabinets with under lights, pantry and dining area. Primary bedroom at back of the home features a tray ceiling and has a walk-in-closet and a full ensuite. Two more generous bedrooms on the front of the home allow plenty of space for the kids. Garage has gas wall heater, storm shelter big enough for entire family and floored attic with rotor and antenna. Out back there is a big 10x20 concrete patio, 220 plug for hot tub, multiple sheds and workshop with electricity and a space for parking trailer or boat. Furnace and AC only 3 years old.
